

The San Bernardino charter of Options for Youth (OFY) is a year-round charter school with continuous enrollment. In order to determine its student enrollment count and provide access to the most interested students, there is an application deadline of June 12, 2021 for students wishing to enroll and start studying on July 1, 2021 (our first day of the 2021-2022 school year). If the number of applicants does not exceed our physical capacity at each location, all students will be admitted to OFY for the 2021-2022 school year.

If the number of applicants exceeds our physical capacity, a lottery will be held for new applicants on the following Wednesday, June 16, 2021 at 3:00PM virtually. A webcast address will be provided closer to the date. (Students continuing from the previous school year will be automatically admitted.)

Preference in the lottery drawing will be given to siblings of currently enrolled students. Any students not admitted by the lottery drawing will be placed on a waitlist in the order they are drawn in the lottery. Families that cannot attend the lottery drawing will be notified via email by Friday, June 18, 2021 of their lottery results and via USPS mail at the same time.

If you have any questions about this enrollment deadline or lottery procedure, please contact our Enrollment and Outreach Specialist, Iris Quevedo, at [iquevedo@ofy.org](mailto:iunquevedo@ofy.org).
